

Recipe to make tomato and eggs.

ingredients

- 3 tomatoes
- 2 eggs
- cooking oil
- spring onion
- cooking pan
- small mixing bowl
- bowl to put in the dish
- sugar
- salt
- egg whisker/fork
- water if needed.
- cooking knife

Steps.

1. collect all materials. and wash the tomatoes.
2. Grab your 2 eggs crack them in the small mixing bowl and start mixing the eggs until it is a goldish colour with bubbles on the sides.
3. Leave the eggs on the side and grab your 3 tomatoes and cut them in triangle shapes. Once you're finished put them into a large bowl.
4. Then turn on the fire and pour a lot of oil onto the frying pan. First cook the eggs and make them scrambled.
5. Then grab the tomatoes and pour them in the frying pan remember to pour little more oil before you put in the tomatoes.
6. stir the tomatoes around for about 2 mins and some saigon and salt and add the scrambled eggs to it.
7. Lastly add the spring onion into the dish and now you are finished.
